Astra Site Services

Astra Site Services are the UK's largest suppliers of hydraulic excavator attachments; supplying the Demolition, Construction & Rail industries with specialised equipment for over 15 years. We are committed to providing quality, in the attachments we supply, staff we employ and services we offer. Our comprehensive ranges of hydraulic attachments are available for both sale and hire nationwide.

Our Dealerships

Astra Site Services are the sole UK dealership for a number of prestigious attachment manufacturers, selecting what we believe to be the best equipment available anywhere on the market. Each of our equipment dealerships are widely recognised as being leaders in their field, and we are proud to be associated with them.

Health and Safety

Safety is at the heart of everything we do. As a leading supplier to the construction industry, developing a culture where health and safety is of paramount importance has always been a core business objective. We are still the only dedicated Attachment company in the UK to hold all 3 ISOs as well as the FORS accreditation and RISQS (formally Link Up) certification.

Customer Service

Our reputation for excellent customer service, and our need to understand and exceed our customers' needs and expectations, has made Astra the preferred excavator attachment supplier for many of the UK's largest plant hire companies. Whether you have a small family run business or are a large nationwide company, we're confident we can work together to gain an in-depth understanding of your requirements, and provide a service that can add real value to your business.
